

OLDEST RESIDENT OF ALEXANDRIA DIES

Alfred H. Thomson, Aged Seventy-Three, Is Victim of Stroke of Paralysis.

ALEXANDRIA, Oct. 12.—Alfred H. Thomson, seventy-three, one of the oldest residents of Alexandria, died at 3:30 this morning at his home, 911 King street. He is survived by two children, Alfred Thomson and Miss Mary Thomson. Mr. Thomson had been in bad health for years. Recently he was stricken with paralysis. His funeral will take place from his residence Thursday morning at 11 o'clock.

Mr. Thomson was a native of Orange county, but had resided in this city most of his life. He was a Confederate soldier and a member of R. M. Lee camp of this city. At the close of the war he moved to Alexandria where he became engaged in the commission business and was a member of the firm of Thompson & Payne.

During the past year he was custodian of the historic Carlyle house.

Mr. Thomson was a member of Alexandria-Union Lodge of Masons, the Knights of Honor and was an elder of the second Presbyterian Church.

A meeting of Potomac Lodge, No. 38, Independent Order of Odd Fellows, will be held on Friday night to elect a trustee to succeed the late George H. Jinkens.

Miss Caroline Johnson, daughter of Mrs. J. T. Johnson, will marry Frank C. Craighead, of Harrisonburg, Va., here this afternoon.

City council will meet tonight and consider appropriations for streets and schools.

Preparations for the holding of memorial services for deceased members of the lodge were made last night by Alexandria Lodge of Elks. The services will be held December 3. The following committee has been appointed: George W. Bentz, chairman; Raymond Hummel, Louis Dreifus, Walter M. Donnelly, Herman Friedlander, George H. Schwarzmann, John Ewald, Jacob Brill, Theodore A. Frederick Kaus, and Maurice Lowenbach.

Woodrow Bender, son of Mr. and Mrs. Norman S. Bender, died last night. The funeral will take place tomorrow in Lorton, Va.

The chamber of commerce last night appointed John W. Gray and A. D. Brockert as representatives of the chamber at the convention of the League of Virginia Municipalities, which meets today in Fredericksburg.

The department of agriculture will open bids in Washington Friday for the construction of two miles of gravel road in Fairfax county from Gum Springs to Mt. Vernon.

W. C. Bruin, a veteran engineer of the Southern railway, is critically ill at his home, 325 South Washington street.

Otho W. Weible, forty-five years old, a former resident of this city and brother of Mrs. Urban S. Weible, died last night at his home, in Dover, Ohio.

ANACOSTIA.

Boilers which supply the heat to the various buildings of the Government Hospital for the Insane are being overhauled, and until repaired no heat can be furnished the buildings.

Anacostia Chapter, No. 12, Royal Arch Masons, held a special meeting last night in the local Masonic hall, where a number of prominent Masons were entertained. The Royal Arch degree was presented.

Dr. Mary O'Malley, senior assistant physician at the Government Hospital, and in charge of the female department, has returned to her duties following a visit to the Panama-Pacific Exposition.

Anacostia Tent, No. 7, Knights of the Maccabees, met last night in the local Masonic hall, where degree work was done.

Mrs. James Hollister, of Mt. View Place, is visiting her parents in Boston.

Mrs. T. F. Williamson, of Nichols avenue, went to Lorton, Va., yesterday for a visit.

The following promotions have been made at the Government Hospital: Everett A. Thompson, from attendant at \$300 to charge nurse at \$420 per annum; Miss Myrtle B. Miller from attendant at \$300 to nurse at \$320; Miss E. N. Butler, from assistant supervisor at \$600 to supervisor at \$650; Miss Rosie King from charge nurse at \$520 to assistant supervisor at \$540; Miss Lillian A. Kendall from attendant at \$270 to nurse at \$300; Miss Ethel G. Abe from attendant at \$270 to charge attendant at \$300.

HYATTSVILLE.

The resignation of Dr. Guy W. Lattimer as councilman from the first ward was accepted last night upon the motion of Councilman George M. McFarland. Lemuel I. Gray was named to fill the unexpired term. Council Ketcham presided. Bids for the laying of a water main on Owens avenue were opened, and the matter was referred to Councilman William A. Brooks, chairman of the city council committee, with power to act. Corporation Counsel Vincent A. Sheehy presented an agreement with the attorneys of the Hyattsville Citizens' Association, in which the mayor and council agreed to purchase the fire alarm bell with cash being raised by public subscription. The council approved it.

The Hyattsville Citizens' Association will meet in Odd Fellows' Hall tomorrow night.

Beltville grange will meet tomorrow night.

The Riverdale fire department met last night. President Owen Mulligan, presiding. A cash payment for a recently purchased engine was ordered. A number of women were admitted to membership.

REGIMENTAL OFFICERS OF HIGH SCHOOL CADETS

Above—LOWELL HIMMLER, Major, Second Battalion.
Below—JOHN AMAN, Major, First Battalion.

SCHOOL REPORT NOW IN HANDS OF PRINTER

The annual report of the superintendent of schools today is in the hands of the Government Printing Office. It will be submitted to the Board of Education October 20 before it is made public.

Another report, that of the year of 1914-15, is being printed privately. Owing to changes in the school administration this report was not printed last year, and before that there had not been a report for several years, so the 1914-15 report covers a number of years. Since the time for its submission to the Government Printing Office had expired, it is being printed from the general school appropriation.

The report of the superintendent for 1915-16 will contain numerous recommendations. It includes the first comprehensive changes recommended by Superintendent Thurston since he has been superintendent.

Announcement will be made the latter part of the week of company officers for high school cadets for whom an examination was held yesterday at the Franklin School.

If enlistments this week justify the step appointments will be made of officers for sixteen companies. The high schools then, for the first time, will have two regiments. If this happens, there will still be but one colonel, but another lieutenant colonel probably will be named to command one regiment.

Assistant Superintendent Kramer is not considering the naming of a brigadier general of cadets. Such an organization of the cadets also would make necessary the appointment of another major.

A four-battalion organization is probable, as indicated by reports from high schools this morning showing that Central will probably have five companies and that McKinley also will have five. Eastern may have two, Business three, and Western one.

DIVORCE IS GRANTED TO W. F. MATTESON

Real Estate Operator Receives Decree in Rockville on Ground of Desertion.

The marital troubles of Mr. and Mrs. William F. Matteson, the former an extensive operator in Washington real estate, have been ended with a divorce granted the husband at Rockville by Judge Edward C. Peter. The decree was signed by Judge Peter on the husband's plea of desertion by the wife.

According to the bill filed by her husband, the couple were married in Foundry Methodist Church, Washington, on April 12, 1912. The Rev. W. R. Wedderburn officiated. It was alleged, however, that the couple lived together only a few months, and that Mrs. Christine A. Matteson deserted her husband on June 7 following the marriage.

Three years having expired the law permitted the husband to bring suit for divorce in the Montgomery county courts on a charge of desertion, and the divorce was granted on this allegation.

The plaintiff husband was represented by Attorneys Andrew Wilson, of Washington, and Frank Higginbotham of Rockville. The wife was represented by Robert B. Peter, of Rockville, but it was said here today that she did not fight the divorce proceedings.

Mr. Matteson is one of the best known real estate operators of the National Capital. He has been doing business here for a number of years and deals extensively in suburban real estate.

Mr. Matteson lives in Chevy Chase, while his former wife now resides in Alexandria county.

BAPTISTS PREPARE CITY-WIDE REVIVAL

A Capital-wide evangelistic campaign has been planned by the white and colored Baptist churches in this city beginning on October 24 and continuing two weeks or more. The two campaigns, independent of each other, will be under the auspices of the home board of the Southern Baptist convention. The Rev. Dr. Watson Bruner, superintendent of the department of evangelism, who is leading a movement, the evangelization of the entire South, will come to Washington tomorrow to confer with the pastors and will address the colored ministers' meeting at 1 o'clock at Metropolitan Baptist Church. The meeting will be open to the public.

Revivals have already been conducted in nearly 100 towns and cities of Southern States by Dr. Bruner.

At the campaign in this city the following evangelists will cooperate: Rev. Richard Carroll and the Rev. William Carter, of South Carolina; S. L. Johnson, of Virginia; W. H. Brown, of Maryland; and C. L. Roy Butler, of New York. Junius Gray, of Maryland, and J. E. Williams, of Texas. An executive committee consisting of the following pastors was elected to have charge of the campaign: The Rev. W. D. Norman, chairman; the Rev. J. I. Loving, secretary; the Rev. W. D. Jarvis, treasurer; and the Revs. Joseph H. Lee, Robert J. Howlands, William Bishop Johnson, A. Wilkins, J. W. Howard, S. G. Lamkins, Holland Brent, A. J. Tyle, Walter H. Brown, William H. Jernagin, and J. Milton Waldron.

For Sallow, Blotchy, Rough or Greasy Skins

Some skins require constant grooming to keep them from becoming oily, muddy, blotchy or rough, or if such condition has developed, to overcome it. In such chronic cases it is particularly inadvisable to keep piling on cosmetics which clog the pores, collect dust and dirt, making the complexion worse than ever. It's a lot more sensible to use ordinary mercurized wax, which naturally absorbs a bad complexion. Apply the wax, like cold cream, before retiring. In the morning, in washing it off, you'll wash away fine, flour-like particles of the unwholesome cuticle. Repeat for a week or two and you'll have an entirely new skin—satin, spotless, and beautiful as a child's. One ounce of mercurized wax, procurable at any drugstore, will do the trick.

If the skin be wrinkled or flabby, here's the best possible remedy: Mix a pint with hazel and 1 ounce powdered exfoliate and use as a face bath. Works like a miracle, yet is entirely harmless.—Advt.

COMMODORE'S SON WEDS CHORUS GIRL

Stuart Gilmore, Washington Society Man, Pays Flying Visit Here With Wife.

Washington's premier dancing man—he who won the Vernon Castles' Cup, thereby clinching a reputation previously earned in the ballrooms of the Capital—has at last been put on the mat by Cupid. Details of his transition to matrimony reached here today.

James Stuart Gilmore, son of Commodore James Gilmore, U. S. N., retired, friend of Preston Gibson, Marcus Jordan, and other masculine social celebrities of the Capital, is the victim of the little love god. How he, who several times during the past few years has been looked upon as the prospective spouse of some of Washington's wealthiest heiresses, married Miss Rennie Smythe, former chorus girl of the Winter Garden, several weeks ago, is generally known in society circles today.

Mrs. Gilmore is a beautiful blonde. She is of slender build, and dresses with all the anarchy characteristics of the New York theatrical woman. Gilmore, who is about twenty-four years old, met her while she was playing in the musical comedy, "Haida Haida," in which he did a dancing act. At present neither Gilmore nor his wife are on the stage.

The couple paid a hurried visit to Washington several days ago to visit the bridegroom's relatives.

It makes no difference how my friends regard my marriage. I love my wife and she loves me," declared the young husband, when asked if he would miss his invitations to Washington's exclusive homes.
